# Linlord Masaka holds Top Class graduation

BY HANIFAH NANYANZI

**I**t was a fun-filled affair as Linlord Nursery and Primary school, Masaka celebrated its end-of-year concert and Top Class graduation. The colourful function was held on November 23, at the school premises.

The head teacher, Mrs Teddy Seremba thanked parents and teachers for the commitment and encouraged them to keep it up.

Unlike previous

concerts, Ms Seremba said this year they chose to do things differently and have only the junior section take part in the different activities of the day.

During the day, pupils showcased different performances including mimes, dances, speeches and reciting poems.

Mrs Seremba urged parents and well-wishers to continue praying for the school because their first batch of candidates sat their

PLE for 2025.

Mr Mark Seremba, the school director thanked all learners for loving the school and attributed it to how they want to remain at school even when it's time to go back home.

The Inspector of schools in Masaka City, Mr Moses Kawuma who officiated at the function advised parents to always consider schools with the necessary facilities which creates a conducive environment for learners.
