One heart one mind Mbale graduation

BY PHOEBE MASONGOLE

With great joy, One Heart One Mind Primary School in Mbale District celebrated the graduation of 16 learners ready to step into primary school. The ceremony was filled with smiles, excitement, and proud moments as the children showcased their talents and performed for the guests.

Gifts and certificates of completion were presented to each graduate, recognising all the amazing things they learnt and achieved over the past three years. Teachers, parents, and friends cheered enthusiastically, showing how proud they were.

"Now, they are ready to move on to the next grade, excited for new adventures, new lessons, and new friends," said Pastor Benard Tumushabe, the guest of honour.

Top Class representative reads the speech on behalf of fellow graduands. The pupils thanked their teachers for supporting them.

Siblings pose for a photo with their sister, congratulating her upon great work done.

Graduates performed different dances and skits during their day.
