Gayaza Nursery and Primary School learners showcased their talents during the commissioning of Top Class music, dance and drama (MDD) event. Children presented poems, mimes, contemporary songs, traditional dances and short plays, to the amusement of their parents. The pupils, smartly dressed in colourful outfits, impressed the crowd with their confidence and creativity. Several learners were awarded gifts for good performance,

discipline and smartness.

Mr Jacob Bukenyia, the school director, thanked parents for trusting the school with their learners and being supportive. He noted that MDD helps children build confidence, improve communication skills and learn teamwork.

Tom Muwonge, the Mayor of Kasangati Town Council, who was the guest of honour, praised the school for nurturing well-rounded children, who excel in co-curricular activities and academics. He also called on parents to support their children's talents.
