

PLE DONE AND DUSTED!

BY ANDREW MUSINGUZI

Parents and teachers in Kagadi district are celebrating an outstanding performance in the 2025 Primary Leaving Examinations (PLE), after two candidates emerged as the best in the district with aggregate 5.

Maximillan Aturinda and Brian Ahumuza, pupils of Good Hope Foundation School in Muhorro town council, Kagadi district, scored aggregate 5 with distinctions in all subjects: mathematics (1), English (2), science (1) and social studies (1).

They attributed their success to discipline, fear of God, committed teachers and strong parental support.

Aturinda said his achievement was driven by hard work, prayer, guidance from teachers and parents, and regular practice using

He hopes to pursue a career in medicine.

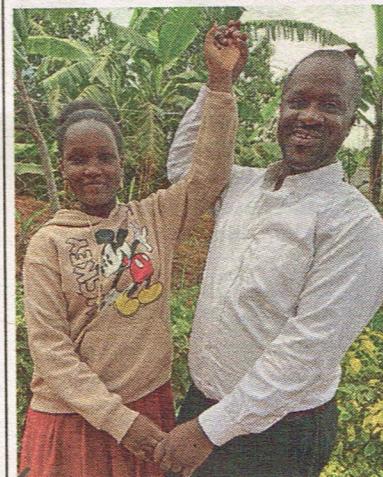

Despite the strong results, some parents face financial

challenges.

Good Hope Foundation School headteacher Richard Namanya said the school posted an impressive performance, registering 40 first grades out of 51.
