

'NEW VISION PLE PULLOUTS HELPED US'

By Charles Etukuri

Joy Mujabi, the headteacher of St Gerald Primary School Matugga in Wakiso district, has attributed his school's success to the valuable support provided by the *New Vision* and *Bukedde* newspaper Pass PLE pullouts that they religiously bought to complement the classroom teaching.

The school had 28 candidates, who all passed in first grade in the recently released Primary Leaving Examination (PLE) results.

In an interview with *New Vision*, Mujabi emphasised their unwavering commitment

to utilising the revision pullouts containing model questions and answers. She highlighted that the resources were easily accessible for their candidates, and the school never missed a single edition.

Mujabi expressed gratitude to the Vision Group, stating that they will now incorporate the "Pass PLE" publication into their revision materials to complement the efforts of their teachers.

Mujabi hopes that other schools will find the *New Vision's* materials equally beneficial, considering it a great innovation.

Jessy Kanyike who got aggregate five acknowledged

Leah Kanyike celebrates with her son Jessy Kanyike who scored aggregate 5 in the 2025 PLE

the support of his parents, teachers and Vision Group for his exemplary performance. He praised the school

for a conducive reading environment and expressed gratitude for their parents' timely fees payment.
