Young dreams take over Wankulukuku

Muteesa II Stadium, Wankulukuku, came alive as the Edgars Youth Programme staged the 2026 Children's League, giving young footballers from Under-5 to Under-17 a rare stadium matchday experience.

Played under the theme *Playing to Be Champions*, the tournament brought together teams from Namugongo, Christ the King High School Bweya, St Marcelino and Old Kampala, with parents filling the stands as the children competed with energy. Old Kampala emerged as the most successful side with four titles, while CTK claimed two and Namugongo one, as Men's youth teams head coach Laryea Kingstone praised the organisation. Founder Edgar Watson Suubi reaffirmed the programme's focus on developing both football talent and character.
