

Time to get back to school

PICTORIAL. The first term of 2026 started in several phases. The first students reported for school on February 10, 2026 after nearly three months on holiday. The senior one learners will also start school on March 2, 2026, while their senior five counterparts will start on March 5, 2026. **Stephen Otage's** camera recently covered the return of several learners to school.
