The USSSA Karamoja Zone ball games, scheduled for March 14 -18, will be hosted by Moroto High School and Moroto Core PTC, officials have confirmed.

The events will see boys accommodated at Moroto High School while girls will stay at Moroto Core Primary Teachers' College.

"After our on-ground assessment, we confirmed that Moroto High School and Moroto Core PTC will host the ball games," said Stephen Ngaama, General Secretary of the Karamoja Zone.

Headteacher Richard Emojong promised full commitment to ensure a successful and smooth championship.

"I want to assure the Karamoja region that we are fully ready to host the national championship. Participants schools should expect a vibrant atmosphere," Emojong said. He urged schools to cooperate with the administration and maintain discipline.
